PRESS RELEASE

Please check the UTAP website for the newest addition to the UNIDENTIFIED BODY section.

Today, January 29, 2001, Garfield County (Jane Doe) was added to the UNIDENTIFIED BODY SECTION.

On April 20, 1998, a body of an unidentified female was found on the side of Utah State Road 276. The body was found approximately 36 miles north of Bull Frog, Lake Powell, Utah. When the female's body was found, it was covered with plastic bags, wrapped in duck tape, wrapped in a rug, (which had a design of houses and roadways for children to play on). The rug had been tied up.

The victim is believed to be either Hispanic or Native American, Age 37 - 45 years old, 5'1" - 5'3" tall, 112 lbs, dark brown, wavy shoulder length hair, Eyes are brown.

She had the following identifying personal features. Multiple dental restorations, Facial Freckles, Tattooed eyebrows, Small dark mole on the right ear, towards the top, Small dark mole on the upper lip and on the chin and a small dark mole on the left shoulder.

A photograph and additional information regarding Garfield County Jane Doe can be found on the UTAP website at: <http://utap.org/GarfieldCoSO.htm>

Media organizations are requested to invite viewers/readers /listeners to access the UTAP website for more information on how to provide tips and ideas to the investigator handling this case.

Please contact Sheriff Cooper of the Garfield County Sheriff's Office at (435) 676-2678 or by e-mail at: GCSO@Color-Country.net if you have information regarding this case.
