When does H.B. 60 go into effect?

May 5, 2021

Until H.B. 60 goes into effect will I still need a CFP to concealed carry?

Yes.

After H.B. 60 goes into effect on May 5, 2021, can I still obtain a new CFP?

Yes, you can still go through the process to obtain a permit after May 5th. Utah has reciprocal agreements with **36 other states** that recognize Utah's permit in their state. If you choose not to get a permit in Utah and you travel to a state that requires a permit to carry open or concealed, then you are subject to the laws of that state. Additionally, **federal law requires a permit to concealed carry on school grounds**. A CFP will still allow you to **waive the \$7.50 background check fee** when purchasing a firearm.

Can I continue to renew my Utah CFP after H.B. 60 goes into effect on May 5, 2021?

Yes, you can continue to renew or obtain your Utah CFP.

If I want to renew or obtain a new Utah CFP, do I still need to pay a fee?

Yes, the fee schedules for obtaining or renewing a Utah CFP remain unchanged. All fees previously incurred to obtain or renew a CFP are non-refundable.

If I travel to a state that has reciprocity with Utah's concealed permit, do I still need to have a CFP to concealed carry there?

Yes. Utah has reciprocal agreements with 36 other states that recognize Utah's permit in their state. If you choose not to get a permit in Utah and you travel to a state that requires a permit to carry open or concealed, then you are subject to the laws of that state.
